TALL PINES DAY CAMP COUNSELOR-IN-TRAINING 2008 ADD-ON TRAVEL PROGRAM

Tall Pines Day Camp has partnered with David Tours & Travels of Philadelphia, PA to provide your children with a wonderful add-on trip. During the third week of camp, **all** Counselors-in-Training (CITs) are eligible to go on the Baltimore/Virginia trip.

Tall Pines will provide our own adult staff to supervise our campers at a minimum ratio of 1 staff for every 10 campers. Once again, Scott Klear will supervise the campers and staff.

The trip is an add-on and requires an additional payment of \$695.00. All campers must be registered for a minimum of three weeks at Tall Pines. We calculate the cost of the trip by adding the price of the trip plus the cost of camp as determined by the number of weeks your child attends camp. We do not include the week they will be on the trip. For example, if you attend camp for three weeks and wish to add the trip for a fourth week it will be calculated as follows: three weeks of camp is \$2025.00 plus the trip for \$695 is a total tuition of \$2720.00. Rates are based upon quad occupancy.

The Baltimore/Virginia trip departs early Monday morning and returns on Thursday evening. Campers should spend the day at home to rest on Friday. There will be no transportation to Tall Pines on Friday.

A minimum of thirty campers is required for the trip. If the required number of campers is not met by June 1st then the trip will be cancelled and monies will be refunded. Details for each trip will be provided closer to the time of travel. An orientation meeting will be held in early July with the campers.

How is security arranged while staying at hotels?

David Tours provides security at each hotel we use. These companies are all bonded and insured, and are responsible only for the block of rooms that will house our campers and staff. The security guard will report to the tour director and be introduced to the camp staff members and will sit in the hallway during the evening to insure the safety of all participants, enabling the staff to get a good night sleep. The security guard will be in a uniform that will designate his role.

I just wanted to tell you what a great time my child had on trip. I did have many questions and concerns since this was her first trip far away by herself. You were very patient answering all the questions. The kids all had a great time. Thanks to Scott and Liz for being the parents to energetic teens for that week. Thanks for making the summer fun.
