

Tall Pines Day Camp

HORSEBACK RIDING PROGRAM

Optional program for campers ages 7 or older.

The goal of our program is to introduce campers to the pleasures of working with horses and ponies. Please keep in mind that a brief portion of the first lesson may be unmounted in order to teach some essential riding skills. All lessons provided are western style with the possibility of trail rides. Campers will not canter or gallop and trotting will be at the discretion of the instructor based on the current evaluation of the rider. We hope that each camper will be happy and comfortable while developing an enjoyment of horses and ponies.

There is a \$30.00 fee per lesson. Lessons are limited to one time per week. Campers will not be scheduled during instructional swim and lunch. Lessons may be scheduled for any other period or activity during the day. Each lesson will be scheduled for the same time each week for consistency. Every effort will be made to make up lessons that were missed due to rain or absence. Refunds for lessons will only be given if a lesson is missed because of rain and cannot be rescheduled. Refunds are not provided if a camper is unprepared or decides to skip a lesson. Campers receive their riding schedule for the entire season one week before camp begins via e-mail.

All riders must be prepared for the lesson and arrive on time. Riders must wear long pants (leggings work great!), boots with a heel, and a bicycle or riding helmet. This mandatory equipment is for the safety of the rider!

Warning: Under New Jersey Law, an equestrian area operator is not liable for an injury to or the death of a participant in equine animal activities resulting from the inherent risks of equine animal activities, pursuant to P.L. 1977, c. 287, C:5:15-1 Et Seq. A participant shall submit a written report to the operator setting forth the details of any accident or incident as soon as possible, but in no event longer than 180 days from the time of the accident or incident.
