

# Request for Administration of Medication

Dear Parent:

If your child needs to take medication during the camp day, please follow the instructions listed below:

Please give all of the medication to the van driver or van counselor in the Van Mail envelopes on your child's first day of camp. The envelope should be labeled with your child's name and bunk number. The envelope will be forwarded to the nurse. Do not give any medication to your child to distribute.

In order to give your child any prescribed medication we need the following:

1. Medication in its original container.
2. Camper's name and bunk number clearly labeled on the container.
3. If the prescription is not in the original container please send in a doctor's note prescribing the medication with time and dosage.
4. The completed *Request for Administration of Medication* below.
